

The BOX Seat 908 model was selected to seat spectators at what has become one of the most exciting racing venues of modern times.

ABU DHABI FI

Home of the Abu Dhabi Grand Prix and second Formula 1 track in the Middle East, this "Arabian version of the Circuit de Monaco" winds its way through the futuristic Viceroy Hotel and the beautiful sand dunes of man-made Yas Island.

The astounding 1.32 billion dollar circuit stretches over 5.5km and is made up of five grandstand areas surrounding the track. The BOX Seat 908 model was selected to seat spectators at what has become one of the most exciting racing venues of modern times.
