

The easy installation of The BOX Seat meant they were able to emerge and vanish as quickly as the touring cars themselves!

V8 SUPER CARS

**THE BOX SEAT**[®]

The annual V8 Supercars series is a racing circuit carnival that travels Australia, transforming roads into tracks and streets into spectator spaces.

The BOX seat provided an unparalleled solution for the momentary events; with colour and pattern variations of The BOX Seat 901, 903 – and

908 for VIP – models being built throughout the series.

The easy installation of The BOX Seat meant they were able to emerge and vanish as quickly as the touring cars themselves!
